30 AUGUST**

MORNING SESSIONS

🕒 10:00–11:30

- Ocean Space: aqua culture – an introduction
- Infrastructure opportunities for O&G suppliers – an introduction

AFTERNOON SESSIONS

🕒 12:00–13:30

- Ocean Space: aqua culture – new development concepts
- Ocean Space: aqua culture – operations and support
- Infrastructure opportunities for O&G suppliers

Venue for Technical sessions:

HALL
10

Changes in the programme may occur. See ONS 2018 APP for updated info.

THUR 30 AUG

MORNING SESSIONS 🕒 10:00–11:30

SESSION

OCEAN SPACE: AQUA CULTURE – AN INTRODUCTION

Moderator:
SIGNE A. SONVISEN
Norwegian College of Fishery Science, UiT

Technology development and impact across the Ocean Space
VEGARD ØGÅRD AKSNES
Research Manager,
SINTEF Ocean

The Norwegian Aquaculture Analysis
EIRIK MOE
Managing Partner / Marine Industries,
EY

Human capital between aquaculture and Oil & Gas
FREDD JARLE WILSGÅRD
Managing Director,
Norway Royal Salmon/Nor Seafood

Digitalisation of ocean farms
TERJE NILSEN
Manager Disruptive Technologies,
Kongsberg Maritime

SESSION

INFRASTRUCTURE OPPORTUNITIES FOR O&G SUPPLIERS – AN INTRODUCTION

Moderator:
DAG ØYVIND MELING
Roxel

Offshore technology; applications for civil infrastructure – roads, railways and public buildings
KNUT AANELAND
VP Operations,
Multiconsult

Opening the doors in civil infrastructure projects
HELEN ROTH
CEO,
Norwegian Tunnel Safety Cluster

Making the shift – approaching the civil infrastructure market with offshore technology
SIGVE SANDVIK

Roxel

WHY YOU'LL LOVE THE NEW MATCHMAKING TOOL

A brand new feature in the ONS app, a networking function that helps you meet new customers, connect with relevant people and expand your business network.

Other useful features:

- Interact with new customers
- Book meeting rooms
- Plan your visit
- Browse exhibitors
- Updated programme
- Interactive maps

ONS Download from App Store and Google Play now.

AFTERNOON SESSIONS 🕒 12:00–13:30

SESSION

OCEAN SPACE: AQUA CULTURE – NEW DEVELOPMENT CONCEPTS

Moderator:
REID BERGER STOKKE
Global Maritime

Designing new solutions for fish farming – growing global aquaculture
STEVEN RAFFERTY
Director Aquaculture,
Global Maritime Group

Preline – closed containment system
BJØRN BILBERG
Managing Director,
Preline Fishfarming System

Industrialising the production of large offshore fish farms
HEIDI BAUGSTØD
Chairman,
Ocean Aquafarms

OyMerid, a new concrete concept for fish farming
KÅRE O. HÆREID
General Manager,
Concrete Structures

SESSION

OCEAN SPACE: AQUA CULTURE – OPERATIONS AND SUPPORT

Moderator:
JØRGEN BRATTING
KUPA

From offshore to aquaculture design
LARS LAUKELAND
Manager,
Aker Solutions

Offshore technologies for aquaculture applications
MARTIN SØREIDE
CTO,
Aqualine

The Octopus – a paradigm shift for ocean farming
DAG ØYVIND MELING
CEO,
Roxel Energy

TØRE LUNDBERG
Managing Director,
Grataglaks

SESSION

INFRASTRUCTURE OPPORTUNITIES FOR O&G SUPPLIERS

Moderator:
KNUT AANELAND
Multiconsult

Upcoming projects in the road sector
SPEAKER TBC

Norway's railway upgrade – opportunities
HENNING SCHEEL
Director Contract and Supplier Relations,
BaneNor

SUS 2023
KARI GRO JOHANSON
SUS 2023
