

New feature in the ONS 2018 app

DISCOVER

The networking function puts you in control of whom you wish to meet.

CONNECT

Our intuitive matchmaking solution learns from the participants and gives recommendations in real time.

MEET

Our smart meeting scheduling feature allows you to book meetings before and during the events.

HOW TO:

1 Go to My ONS
Log on with your password/badge ID (received by email or through the app) and create your business profile. Import your profile from LinkedIn or start from scratch

2 Discover connections
Look for profiles that match your business interests. Connect and chat with relevant people

3 Check-in
Check-in to events and meet people who share common business interests

4 Meet at ONS
Book meetings using our designated "Meet at ONS" meeting areas in hall 2, 4 and 9, or separate meeting rooms

Access to the ONS matchmaking is included in all of our ticket types.
